AGRA

WHO WE ARE

Agra Agroindustrial S.A. is a company of Alibem Group since 2006, located in Rondonópolis city, in the state of Mato Grosso.

With one of the most **modern industrial plants** in the country, Agra adopts the same quality policies of its parent company, a conduct which is reflected in the excellent level of satisfaction of its customers.

With a diverse product line and a structure able to meet the most demanding markets, Agra brand **is present in all major regions of Brazil and exports to many countries.**

CERTIFICATIONS & SUSTAINABILITY

With recognized certifications, we guarantee that our practices meet the **highest standards of sustainability**. We are constantly seeking solutions to continue evolving. Agra **S.I.F. 3941** is one of the major slaughterhouses in the region.

Over the years, Agra Foods has consistently invested in the modernization of its facilities and the **expansion of its production capacity**. These efforts have secured access to major global markets. Currently, our facility is fully **authorized to export to over 40 countries**.
